

# Joint Venture Calvatis GmbH – Peerapat Industrial Chemical Co., Ltd 14<sup>th</sup> December 2006 in Bangkok

After a 6-year very expansive and successful co-operation with Peerapat Industrial Chemical Co., Ltd on the Thai market both partner decided to form a Joint Venture **Calvatis - Asia Pacific**. The signature of the contract took place in Bangkok on Dec 14, 2006.

Existing Thai customers of **calgonit** products produced in Thailand are the most well known manufacturer in the food & beverage industry.

Due to the JV **Calvatis - Asia Pacific** is able to offer and implement the high European standard of hygiene management to the region. Many potential food & beverage customers from the Philippines, Vietnam, Myanmar, Sri Lanka, Cambodia and Malaysia already showed their high interest.
