Products / Areas of application Dairy

A brief description of the products you find on page

Group	Page	Product	Description	CIP - Cleaning	Butter machines	Disinfection	Bottle cleaning – Lye	Bottle cleaning – Water zone	Bottle cleaning – Disinfection	Bottle cleaning – Head space disinfection	Chain lubrication	Surface cleaning	UHT - plant	Water treatment	Membrane plant	Collection trucks	Cheese mold
alcaline cleaning		calgonit R flüssig	highly alcaline standard product	●									●				
alcaline cleaning	1	calgonit R flüssig spezial	for high water hardness	●									●				
alcaline cleaning	1	calgonit RT spezial	with surfactants, low foaming	●									●				
alcaline cleaning	1	calgonit 6010	with active chlorine	●													
alcaline cleaning	1	calgonit 6120	Butter machine cleaner with active chlorine		●												
alcaline cleaning	1	calgonit U flüssig spezial	with active chlorine and inhibitor	●													
	1	calgonit AR flüssig	neutral all-purpose cleaner									○					
	1	calgonit HDN	mildly alcaline high pressure- and pre-spray cleaner									○					
	1	calgonit LPR	mildly alkaline all-purpose cleaner									○					
additives	1	calgonit Schaumbremse/SB neu	standard-defoamer				●										
additives	2	calgonit LZ flüssig	cleaning booster with defoamer	●									●				
additives	2	calgonit GL extra	with defoamer, phosphate free				●										
additives	2	calgonit LA flüssig	chelate free, based on phosphonate				●										
additives	3	calgonit AD 817	for stabilization of water hardness and scale prevention					●									
additives		calgonit AD 860	cleaning booster based on active chlorine, no biocide	●													
additives		calgonit AD 865	cleaning booster based on active oxigen	●													
additives	3	calgonit WST neu	for stabilization of water hardness and scale prevention					●									
acidic cleaning		calgonit A	based on phosphoric acid	●													●
acidic cleaning	3	calgonit jalu sauer plus	based on nitric acid, non foaming	●												●	●
acidic cleaning	3	calgonit SMO	based on phosphoric-/nitric acid, non foaming	●												●	●
acidic cleaning	3	calgonit TRS	for cleaning and neutralization, based on sulfuric acid					●									
acidic cleaning	3	calgonit SN 542	for automatic single-phase cleaning	●													●
disinfection		calgonit sterizid forte 15	based on peroxyacetic acid, DVG-approved			●			●								
disinfection	4	calgonit CD-L	alkaline component for production of chlorine dioxide			●			●					●			
disinfection	4	calgonit CD-S	acide component for production of chlorine dioxide			●			●					●			
disinfection	4	calgonit DS 628	acidic foam with peracetic acid			●											
disinfection	4	calgonit DS 675	neutral, based on quaternary ammonium compounds							●							
foam cleaning alcaline	4	calgonit AF 108	mildly alcaline, free of chlorine and phosphate									●					
foam cleaning alcaline	4	calgonit CF 312	alcaline, high level of active chlorine									●					
foam cleaning alcaline	5	calgonit CF 325	with active chlorine, no biocide									●					
foam cleaning alcaline	5	calgonit CF 315	with active chlorine and inhibitor									●					
foam cleaning alcaline	5	calgonit NF 400	highly alcaline, free of chlorine									●					
foam cleaning alcaline	5	calgonit NF 422	alcaline, long cling foam									●					
foam cleaning acidic	5	calgonit SF 504	based on mineral acids									●					
foam cleaning acidic	2	calgonit SF 520	based on phosphoric acid									●					
foam cleaning acidic	2	calgonit SF 522	based on organic acids									●					
foam cleaning acidic		calgonit SF 525	based on phosphoric acid, with inhibitor									●					
foam cleaning acidic	2	calgonit SF 5501	based on citric acid									●					
chain	2	calgonit LU 5702	lubricant, based on silicone								●						
chain	2	calgonit Banditt EE	synthetic lubricant								●						
special cleaner / products	2	calgonit SP 942	buffered mild alkaline membrane cleaner												●		
special cleaner / products	4	calgonit UF 2 neu	enzymatic cleaner for membranes												●		
special cleaner / products	4	calgonit SP 946	highly alcaline cleaner for membranes												●		
special cleaner / products	4	calgonit SP 952	acidic cleaner for membranes												●		
special cleaner / products	4	calgonit AN 195	special cleaner for plastic surfaces									●					
special cleaner / products	5	calgonit 7130	combined biocidal product for water treatment											●			
special cleaner / products		calgonit NU 019	alcoholic bold solver, no biocide									●
