

**Calvatis GmbH, Ladenburg, Germany, and PaChico EOOD, Ruse, Bulgaria are pleased to announce the foundation of a new Joint Venture.**

The Joint Venture, named Calvatis Hygiene Ltd., will serve clients in Bulgaria specially in the market segments of food, beverages, dairy processing, agriculture and water treatment. Calvatis Hygiene Ltd. will also offer related equipment and system engineering.

"In combining the strength of the global player Calvatis with PaChico as local dynamic partner in Bulgaria, we are able to offer our customers an excellent product portfolio combined with an effective service & support through our Joint Venture Company Calvatis Hygiene Ltd..

With PaChico EOOD and the joint foundation of Calvatis Hygiene Ltd., we are very sure to have a strong and successful partnership in Bulgaria", said Thomas Mohr, the CEO from Calvatis Group.

"It is another step for PaChico to extend its business activities in creating this partnership with Calvatis in Bulgaria to the benefit of our dear customers", said Dimitar Ivanov, the General Manager from PaChico EOOD.

Calvatis GmbH has cancelled the old distribution arrangement with and stopped any supply to Albis Ltd, Bulgaria, already at the beginning of 2020.

Calvatis GmbH and PaChico EOOD are looking forward to a fruitful and reliable partnership in Calvatis Hygiene Ltd..
